Robust portfolio of **Roads & Water** Infra projects

 WELSPUN ONE
Logistics Parks

Integrated **Grade-A Warehousing** Solutions

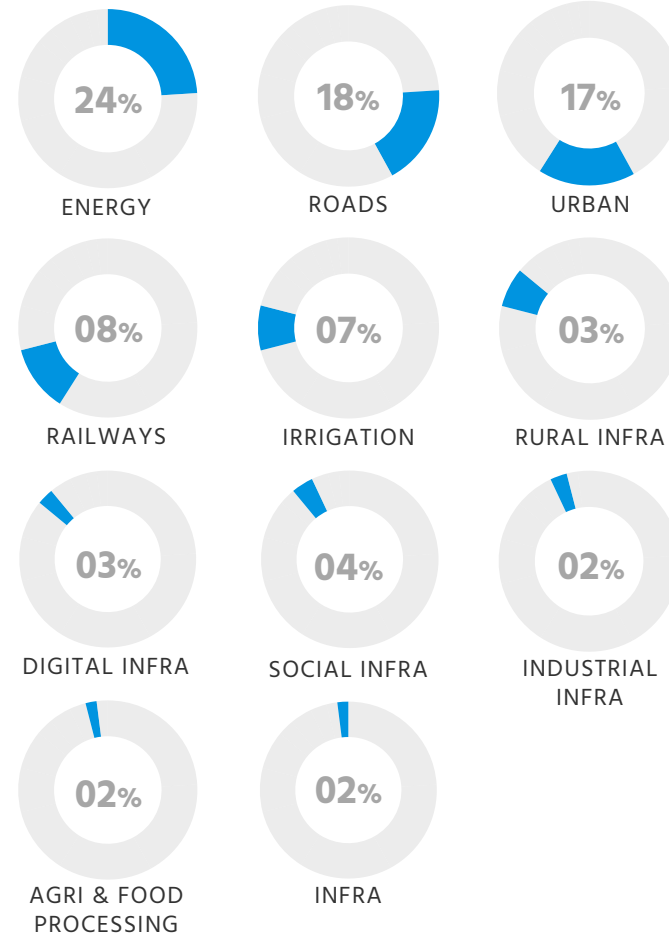

Sunrise Infra Sector

~ ₹111 trillion capital expenditure in infrastructure sector during FY20-25 as per NIP report

Road sector to get strong thrust from government	07
Potential under buy & turnaround strategy	09
Water sector – key focus area for government	10

Road sector - Strong thrust from government

Sector wise break up of Capex of ₹111 trillion in NIP during FY20-25 (IN %)

Source: National Infrastructure Pipeline; Report of the Task Force

Sector wise share in the NIP for Road sector (IN %)

18%

of projected
infrastructure
investment is in the
Roads sector

**Private
Sector**

is expected to be
largest contributor
towards roads

Road sector- Strong thrust from government

Vision 2025 for Roads

Development of 60,000 km of NH - 2,500 km of Expressways, 9,000 km of Economic corridors, 2,000 km of coastal and port connectivity

Higher penetration of advanced technology

Significantly higher share of the private sector in NH

Last-mile connectivity - improved access to all remote areas after the completion of Bharatmala Phase-1

Some key measures required to attract more private investment:

Focus on project preparation and availability of required land

Better contract enforceability and robust dispute resolution mechanism

Acquiring 90% of contiguous land along with project clearances

Increased use of financing options such as InvITs and TOT

₹ 20.3 trillion Capital expenditure to be incurred over FY20 to FY25

Source: National Infrastructure Pipeline; Report of the Task Force

Potential under buy & turnaround strategy

Several projects awarded to various infra players with weaker balance sheet are not financially closed / execution is stuck

...WEL with its strong banking relationship, robust balance sheet and operational excellence sees this as an opportunity to be a Turnaround Specialist

Welspun Enterprises' Turnaround Record – 4 projects till date

- 1) Gagalheri-Saharanpur-Yamunanagar (GSY)
- 2) Chutmalpur-Ganeshpur & Roorkee-Chutmalpur-Gagalheri (CGRG)

Concessionaire

Concessionaire not in a position to achieve financial closure

Along with Welspun Enterprises

Financially closed **within 2 months**

- 3) Chikhali-Tarsod (Package-IIA)

Concessionaire

Concessionaire not in a position to achieve financial closure

Along with Welspun Enterprises

Financially closed **within 1 month**

- 4) Mukarba Chowk – Panipat Toll Roads Limited

Concessionaire

Concessionaire not able to continue execution due to financial distress

Along with Welspun Enterprises

Project nearing completion

Water sector- key focus area for government

Government's Mission: 'Har Ghar Nal Se Jal'

With India's water crisis nearing a tipping point, the government announced the Jal Jeevan Mission to provide potable water to every rural household by 2024.

₹12.6 trillion capital expenditure to be spent in building Water Infrastructure

(₹ TRILLION)

Households with piped-water supply in rural areas

(IN %)

Urban Water & Sanitation - Additional

₹ 3.3 trillion

Will be spent in building
Water Infrastructure

Vision 2025
for Water Infrastructure

~100%

Of urban and rural
households connected to
piped-water supply

Interlinking

Of rivers to increase area
under irrigation, domestic
& industrial water supply

Hybrid Annuity Model (HAM) Opportunity

- Win-win model for government & developer
- Around 1/3rd of road awards happening through HAM

NHAI Hybrid Annuity Model (HAM)
introduced in 2016

NHAI Hybrid Annuity Model (HAM) introduced in 2016...

....to overcome BOT issues including

....thus, now NHAI awarding more projects under HAM and pure EPC.

HAM advantageous to both Developer & Authority

FOR DEVELOPER	NHAI as a partner providing 40% funding	12-15% of project cost Minimal Equity requirement	At least 80% land provided by the authority on appointed date. COD given based on land provided	All Clearances provided by the authority before appointed date
	No Toll Collection Risk No traffic risk	O&M covered by separate payments from authority	During construction, Better Credit Rating than BOT on account of lower risk	Once constructed, AAA (SO) Credit Rating as semi-annual assured payments from NHAI
FOR AUTHORITY	Public Private Partnership to build world class infrastructure	Lesser Cash Outflow as compared to EPC model	Revenue Generation from toll collection which funds the annuity	Quality Assured due to maintenance obligation of 15 years by concessionaire

completion

Letter of appreciation by Prime Minister of India Shri Narendra Modi

Prime Minister of India

New Delhi
23 May, 2018

Shri B. K. Goenka Ji,

I am delighted to know of your valuable contribution to the completion of Package I of Delhi-Meerut Expressway, which as you know got completed much before the target date.

We, as a nation, are standing at the cusp of a wave of development that is driven by a young nation with great aspirations. The infrastructure we are building will create new pathways for India's all-inclusive development and open new vistas of opportunity for our people.

It was our former Prime Minister Shri Atal Bihari Vajpayee's vision to connect each and every village and city with all-weather roads. He envisioned India's future built on a firm foundation of enhanced connectivity for people and businesses.

Today, from highways to I-ways, we are ensuring that our nation is ahead of the curve in infrastructural development.

The Delhi-Meerut expressway has showcased India's engineering capabilities that are well integrated with our goal of sustainable development. Also appreciable is the way in which the expressway has been converted into a green belt with initiatives such as drip water irrigation, solar plant and landscape development.

It is a matter of immense joy to see pride in people's eyes when they experience seamless commute through these modern day marvels. The new expressway is one such marvel that will ease the lives of citizens by saving them time and money as well as ensuring that local economy flourishes.

It is my firm belief that the highways built today will become runways for dreams of tomorrow to take flight. I, once again, congratulate everyone associated with this project for achieving a remarkable feat and delivering not just an expressway, but a roadway to progress and prosperity.

I wish you success in all your future endeavours.

Yours Sincerely,

(Narendra Modi)

Letter of appreciation by Honorable Parliamentarian

Appreciation by Shri Nitin Gadkari, Union Minister

Building much more than an expressway

Vertical garden developed along the entire bridge

40,000+ Trees

transplanted and retained existing trees

Investment in Oil & Gas blocks: Potential value accretion

Adani Welspun
Exploration Ltd
(AWEL), a 65:35 JV
between Adani Group
& WEL, is the key
investment vehicle

Block Name	Location	AWEL Stake	WEL Effective Stake	Status
MB-OSN-2005/2	Mumbai Offshore	100%	35%	AWEL drilled a well and had hydrocarbon discovery- potential GIIP 514 BCF (billion cubic feet) of gas . Further data evaluation studies have been completed. Resource and reserve estimation/certification is in progress
GK-OSN-2009/1	Kutch Offshore	25%	8.75%	FDP (Field Development Program) is under preparation by ONGC, the operator. Based on which the commercial viability will be decided.
CB-ONN-2005/4	Cambay Basin	- *	35%	Ministry has turned down the request letter of the 35% consortium for allowing them to carry out operations in the Block. Other remedies are being explored.
B9 Cluster (DSF)	Mumbai Offshore	100%	35%	A well has been drilled and data evaluation studies are in progress following which, resource and reserve estimation/certification will be taken up.

Revenue from first block expected in FY24-25
