EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Members are informed that the Board of Directors of the Company (the “**Board**”) has, at its meeting held on December 30, 2022, approved the proposal to undertake buyback of its equity shares, the details of which are as contained in the resolution stated at Item No. 1 of the Notice.

As per the applicable provisions of the Companies Act, 2013 (as amended) (the “**Act**”), the Companies (Share Capital and Debentures) Rules, 2014 (as amended) (the “**Share Capital Rules**”) and the SEBI (Buy Back of Securities) Regulations, 2018 (as amended) (the “**Buyback Regulations**”), this Explanatory Statement contains relevant and material information to enable the members holding equity shares of the Company to consider and approve the proposed Special Resolution for the Buyback by the Company of its equity shares as under:

a) Necessity for the Buyback

- i. The Buyback will help the Company to return surplus cash to its members, holding equity shares and tendering under the Buyback, broadly in proportion to their shareholding, thereby enhancing the overall return to the members;
- ii. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”;
- iii. The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value;
- iv. The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback, without any additional investment.
- v. Optimizes the capital structure and enhance investor confidence.

b) Method to be adopted for the Buyback:

The Buyback shall be on a proportionate basis from all the members holding equity shares of the Company through the “Tender Offer” route, as prescribed under the

Buyback Regulations. The Buyback will be implemented in accordance with the Act and the Share Capital Rules to the extent applicable and on such terms and conditions as may be deemed fit by the Company. As required under the Buyback Regulations, the Company will announce a record date (the "Record Date") for determining the names of the members holding equity shares of the Company who will be eligible to participate in the Buyback. In due course, a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback will be dispatched to each shareholder as on the Record Date.

The equity shares to be bought back as a part of the buyback shall be divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) General category for all other shareholders

As defined in Regulation 2(i)(n) of the Buyback Regulations, a 'small shareholder' means a shareholder of a listed company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognised stock exchange in which highest trading volume in respect of such security, as on record date is not more than Rs. 2,00,000/- (Rupees Two Lakh Only).

In accordance with the proviso to Regulation 6 of the Buyback Regulations, 15% (Fifteen Percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender his shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

In accordance with Regulation 9(ix) of the Buy-back Regulations, to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders
